In memory of Yvonne Carfrae

Yvonne Carfrae, wife of Rotary Club Past President, Bruce Carfrae PHF, and long time Rotary supporter, passed away on 16 August 2010 in New York while visiting her son. It is her family's wish that a fund be set up in her memory to support The Rotary Club of Chatswood's important work. Her tireless dedication to her family, friends and her contribution to charity left a lasting impression on everybody who knew and met her.

Yvonne was a remarkable, loving and compassionate person.

Support of this worthy initiative will continue to provide assistance to the needy and underprivileged in our community, and ensure that her good work will always be remembered.
